The Chandigarh Administration is providing capital subsidy to the extent of 25% for installation of Solar Water Heating Systems (SWHSs), installed through the firms who are on rate contract with DGS&D, on the rates approved by DGS&D for SWHS of capacity 100, 200 & 300 LPD (litres per day).

Applications are invited from individuals who have either installed (in current financial year) or are interested in installing SWHS at their premises/home for domestic purposes from DGS&D approved suppliers. The application shall be considered on first come first serve basis subject to availability of funds.

Applications in the prescribed format, available at website <http://chandigarh.gov.in> should reach the office of Department of Science & Technology, Chandigarh Administration at the above mentioned address upto 08.03.2011 till 5.00 p.m

Director

**APPLICATION FOR THE INSTALLATION OF SOLAR WATER HEATING SYSTEM
UNDER THE SUBSIDY SCHEME**

To

The Director,
Department of Science & Technology,
Additional Town Hall Building,
2nd Floor, Sector-17C, Chandigarh.

Subject: Installation of Solar Water Heating System under the Subsidy Scheme of the Chandigarh Administration.

Sir,

I understand that Solar Water Heating Systems are available through your Deptt. Under the subsidy scheme I want to get installed or had already installed in F.Y. _____ one Solar Water Heating System of capacity _____ LPD for my personal use at the site given below. I have conducted the market survey and had detailed discussions regarding Solar Water Heating System with the BIS, GOI approved manufacturers. I have decided to get the system installed & commissioned as per the specifications explained to me & to my satisfaction from

_____ who is BIS, GOI approved Supplier/Manufacturer of MNES, GOI and Chandigarh Administration. I shall pay Rs. _____ (Rupees _____ only) to the supplier towards the cost of the system excluding the subsidy. You may depute your technical person for inspection during and after commissioning. The subsidy available from your deptt. for the above system may be released to the undersigned after the joint inspection of the system by the undersigned, supplier and deptt.

The detailed specifications and cost break-up are enclosed. I undertake that I shall not resale/transfer/shift this system without the permission of the Administration. It is requested that I may be allowed to go ahead for the installation of the system and oblige.

Thanking you,

Yours faithfully,
